Dear Friends,

For those of you who don't know us, this is an introduction to an important summer program available for all Junior Golfers. For those of you who are familiar and have supported this organization, we thank you for your past support and are hopeful that you can donate to the cause again this year. We believe that this organization benefits the youth in our community and is one that deserves to thrive in the years to come.

[The SCCJGA – The County's Junior Golf Program](#)

Established in 1993, the Santa Cruz County Junior Golf Association (SCCJGA) is a **non-profit, all volunteer organization**, whose charter is to provide all junior golfers and prospective junior golfers, between the ages of eight and eighteen, the opportunity to participate in an organized golf program that offers a fun and safe atmosphere. The SCCJGA is committed to minimizing barriers, financial or otherwise, that might prohibit participation in the game of golf.

The SCCJGA conducts REPS (Rules, Etiquette, Pace of Play and Safety) courses, conducts 9 hole and 18 hole tournaments, subsidizes golf lessons, tournament green fees and membership to the NCGA (Northern California Golf Association). Being an Affiliate Member of the NCGA, SCCJGA Members participate in the NCGA's Youth on Course Program.

We believe that it is in the best interest of the community to see that this program continues to grow and improve in the years to come. The SCCJGA cannot support itself without, tax-deductible, donations from businesses and individual Sponsors. We thank our loyal Sponsors for their past generosity and continue to search for additional corporate and individual Sponsors to insure that our youth have this summer program available to them.
